Snoqualmie Citizens Academy

Learn How Your Government Works

The City of Snoqualmie is offering a **free** seven-week course for citizens to get a first-hand look at how Snoqualmie's government works. The sessions will be led by Snoqualmie city officials and department heads. Sessions will be informal, interactive and a lot of fun. Some sessions will include tours of city facilities!

Classes start on September 14

6:00 – 8:30 p.m.

Space is limited to 30 participants

The course will begin with a look back at Snoqualmie's history and a look to our future. Over the seven weeks, participants will learn what a Mayor-Council form of government is; where city revenues come from; where property taxes go; who is responsible for capital planning; how public safety programs are put into action; how citizens can be more involved in the decisions that influence quality of life; and much more.
