### Encompass Board of Directors Endorses Snoqualmie Community Center

**Snoqualmie, WA** – At the monthly meeting of the Encompass Board of Directors, Board Members unanimously declared support for the City of Snoqualmie bond proposition for a community center facility.

A statement by Encompass reads, “Recognizing our key role as a partner in nurturing children, enriching families and inspiring community throughout the growing Snoqualmie Valley, the Encompass Board of Directors endorses the City of Snoqualmie’s measure on the Nov. 4, 2008, ballot to construct a community center to be operated by the YMCA. With the same mission in mind, we also once again look forward to endorsing a long-needed Snoqualmie Valley School District bond measure.”

In addition to Encompass, the Snoqualmie Valley School District and the Si View Metropolitan Parks District have declared support through formal resolution. The Snoqualmie Ridge Marketplace Merchants Association has written a letter of support, as well as many private business owners.

Reference documents including community declarations, resolutions and endorsements; a community center fact sheet; presentations given at town hall meetings; and many other reference documents are available on the City of Snoqualmie website at [www.ci.snoqualmie.wa.us](http://www.ci.snoqualmie.wa.us).
