City of Snoqualmie

News Release

For immediate release: November 22, 2011

Student exchange program welcomes volunteers

Snoqualmie, WA – Snoqualmie is a sister city of Gangjin, Korea, and has just become a friendship city of Chaclacayo, Peru. As the Snoqualmie Sister Cities Association grows, more volunteers are needed to help manage the program.

Several students from Gangjin and Chaclacayo will be staying in Snoqualmie January 4 through 27 to attend Mount Si High School.

Volunteers are needed to coordinate host families, organize field trips, set up language classes, provide transportation and, in general, "make it happen." Any level of commitment is welcome.

Would you like to be a host family? A few more families are needed to provide housing and meals and to share cultural traditions. This opportunity could be one of your family's most rewarding experiences. If your family is able to host a boy or girl for those three weeks, please email Tina McCollum at valent6222@aol.com.

If you would like to help guide this program as an association board member, you are welcome to attend board meetings to consider what role you might like to take on. To be notified of meetings, please email Doug Irvine at jdi1717@hotmail.com.

To learn more about the program and the Snoqualmie Sister Cities Association, visit www.snoqualmiegangjin.com.
