Kids' Play in the Parks Program is Fun All Summer Long

Register Now for Ages 5-10

Snoqualmie, WA – Attention parents! Starting this July, join us for fun in the sun at two local parks in Snoqualmie.

The Parks & Recreation Department, in partnership with the Snoqualmie Valley YMCA, is offering a low-cost playground program for kids ages 5 to 10 years. The program will be held on Tuesdays and Thursdays from 1pm to 3pm beginning July 9 and running through August 23.

Kids will play games, make art projects, and be creative and active in all sorts of ways! Parks & Recreation Department and YMCA staff will lead and supervise the children. Parents are encouraged to stay during the activities and are welcome to participate or just read a good book in the shade.

The playground program will alternate between Centennial Fields Park (39903 SE Park Street near Snoqualmie Elementary School) and Azalea Park (6604 Azalea Way on Snoqualmie Ridge). On the first day of the program, a location and activity schedule will be available for parents.

Kids must be pre-registered, but are not required to come throughout the summer or on all days. Just let us know ahead of time what works for you. However, this is not a drop-in program.

Sign Up Now for the Play in the Parks Program!
Space is limited. Contact Ilyse Burke, Parks & Recreation Department, at 425-831-5784 or iburke@ci.snoqualmie.wa.us.
