City of Snoqualmie Announcement

July 20, 2012

Take a Survey about Your Use of the Snoqualmie Corridor

The Washington State Department of Natural Resources (DNR) has embarked on a comprehensive planning process to improve recreation on state trust lands, natural areas, and other DNR-managed lands in the Snoqualmie Corridor.

The DNR's online survey takes about 10 minutes and gathers information about your use of the Snoqualmie Corridor for many forms of outdoor recreation. Your input is valuable and may affect the way you use the corridor in the future. The survey closes July 31.

Reminder about Discover Passes
City of Snoqualmie parks and parking lots do not require a Discover Pass, such as Snoqualmie Point Park and its adjacent lower parking lot. However, the Discover Pass ***is required*** in the upper parking lot that accesses the Rattlesnake Ledge trailhead because that is land owned by the DNR. Other local areas that require the pass include Mount Si, Little Si, and Tiger Mountain, among others.

Passes can be purchased on the Discover Pass website or at retail stores including Ace Hardware in North Bend. Other retail store locations can be found on the Discover Pass website or by calling 866-320-9933.

For more information about fees, areas that require the pass, exemptions, vendor locations, and answers to frequently asked questions, visit www.discoverpass.wa.gov.
