## City of Snoqualmie News Release

For immediate release: April 13, 2012

## Motion Water Sports to build new facility in business park

**Snoqualmie, WA –** Motion Water Sports, the parent company of O'Brien, Liquid Force and Straight Line Sports, will be building a new facility in the Snoqualmie Ridge Business Park for research and development as well as distribution.

The new facility will include 21,000 square feet of office space, a 107,000 square-foot warehouse, and on-site parking accessible from the business park.

The lot borders Snoqualmie Parkway at the south end of Fairway Ave SE and above the Fisher Creek water quality pond.

Tree clearing and grading will occur along Snoqualmie Parkway for the next several weeks to prepare the site for building construction.

Replacement landscaping with new trees, shrubs, and ground cover plants will take place next fall to reestablish the business park buffer in cleared areas along the Snoqualmie Parkway frontage.
