Tree Care 101 & Birch Replacement Options

Does your birch look like this? Come and find out about the problem, and what to do...

Saturday September 30 2017, 10.30am TO 12.30pm

Snoqualmie Library, 7824 Center Blvd, Snoqualmie Ridge

This class will cover the basics of tree care for residents, including pruning, mulching, fertilizing, and appropriate irrigation. Additionally, there will be information on the disease that is killing birches in Snoqualmie, and suggested tree varieties for replacement. Presented by City of Snoqualmie Urban Forester, Phil Bennett.

To attend this class, RSVP to : pbennett@ci.snoqualmie.wa.us or call (425) 766 2452
