### Your Next Pizza Could Be Free!

The Snoqualmie Fire Department is partnering with Carmichael's True Value, the National Fire Protection Association, Snoqualmie Domino's, and the Snoqualmie Firefighters' Association to reward select customers who have properly functioning smoke alarms with FREE Domino's pizza!

When you order from Domino's on **October 9 or October 12 from 6-8 pm**, you could be eligible to have your order delivered aboard a fire engine.

If all the smoke alarms in your home are working, your pizza is FREE. If the smoke alarms are not working, the firefighters will replace the batteries or install fully functioning alarms.

In a fire, seconds count. Remember to have an escape plan in the event of an emergency. For more fire safety tips, visit [firepreventionweek.org](http://firepreventionweek.org).
