2019 COMMUNITY P-PATCH RULES AND REGULATIONS

The following rules are designed to help the garden run smoothly for all. We appreciate the cooperation and community spirit that makes this a successful program. Occasionally, staff will work with individual gardeners who are having difficulty following the rules or meeting requirements for the program. Should this happen, there is a review process, written warning and, if the situation does not change, the plot(s) will be re-assigned without a refund.

Opening Day: Gardeners must begin working in their assigned plots by the second Saturday in May. To maximize use of limited space, plots that are not being worked by the second Saturday in May could be re-assigned.

Recreational Use: Community p-patches are to be used for recreational gardening and for growing vegetables and flowers for personal or family use. Growing vegetables and flowers for commercial purposes is prohibited.

Organic Gardening: The p-patch program is an organic gardening program. Use of pesticides, herbicides and insecticides made from synthetic materials or chemical fertilizers is strictly forbidden. Slug bait is permitted only when used in enclosed containers. Containers must be removed from the site after use. Use of raw human or animal waste is not allowed due to environmental and health concerns. Fully composted manures such as steer and chicken manure are allowed. For information on organic fertilizers and pest control, call the Master Gardener Hotline at 206-296-3440.

Watering: Gardeners must be present at their plots while watering them. Drip irrigation may not be left unattended. Please conserve water as much as possible and minimize the use of sprinklers, especially between 10a.m. and 6p.m.

Weeding: The City of Snoqualmie will provide initial and season-end plowing and fall cover crop sowing on seasonal plots. Gardeners are responsible for additional cultivating, weeding, fertilizing, watering, end-of-season clean up and all other care for their plots. Plants on the State's Noxious Weed List are not allowed. See the web page at <https://www.nwcb.wa.gov/printable-noxious-weed-list>, No illegal plants may be grown, including any plants listed by the Washington State Weed Control Board as noxious weeds.

Prohibited Activities: Dogs, cats and other pets are not allowed in the garden at any time. Smoking is prohibited in the garden, as research has shown that tobacco can transmit a virus to tomatoes. Motorized vehicles and equipment, with the exception of small rototillers, mowers and weed-eaters, are not allowed in the gardens.

Composting: Place dead plant materials in the designated compost areas. Do not pile weeds and rocks in the pathways. Place bagged, non-plant materials next to compost bins for removal.

Mowing: Maintenance crews will only mow garden paths a few times each season. Please notify the Parks and Recreation Department at 425-831-5784 if the paths are overgrown. Gardeners who mow or weed eat areas of the paths on their own are greatly appreciated.

Clean Up: P-patch plots close the second Friday in November. At the end of the season, gardeners are required to remove all non-plant materials from their plots, including weed-block fabric, plastic pots, wire tomato cages, stakes, tools, etc. Gardeners who fail to adequately clean out their plots may not be assigned a plot in the following year.

Vandalism/Theft: If you witness or experience garden theft or vandalism, please notify police by calling 425.888.3333 to file a report, as well as the Parks and Recreation Department at 425-831-5784. Due to the open nature of parks and garden sites, the City of Snoqualmie is not responsible for loss of garden products or tools.

2019 COMMUNITY P-PATCH APPLICATION

The City of Snoqualmie is pleased to offer its citizens two "p-patches" for community gardening. Patches are generally reserved from the second Sunday in April through the second Friday in November. P-patch plots are 6' x 12' or 72 square feet. Please read all p-patch rules on the reverse side of this document. The rules are also available on the City of Snoqualmie's website at www.ci.snoqualmie.wa.us. Patches not rented by the second Saturday in May are offered at a reduced price. Senior adults and persons with physical limitations will be assigned plots closer to water outlets when possible. Please fill out all information completely and return to the Parks and Recreation Department with payment.
